Dear Mr Hikind;

We are writing this letter regarding our concern with Ditmas Beer Palace, Inc 756 McDonald Ave Brooklyn NY 11218 Serial # 1277739. It seems these people are once again trying to get a license to run a bar. Now they are trying to get a beer and wine license instead of a full blown liquor license. It seems the liquor license was in violation of being within 100 feet of a place of worship. The problem is even when they had a just a liquor license it seems that they were only selling beer and their patrons were getting drunk and violent on beer. We used to see them bring vanloads of beer everyday, we never saw them bring refills of hard liquor.

We were having the following problems just to name a few. There were always drunk people around. This neighborhood was violent till a few years ago. It was finally cleaned up. Normal families moved into the area. There are now 2 synagogues in the area. When the bar was open there were always hooligans walking around. There was an abundance of violence once again, with fights on the streets. Friday night when we bring our children to synagogue we were scared to walk on that side of the street. The patrons of the bar have hidden their weapons in our bushes, slashed our tires, urinated on the street and on our property daily. There were numerous times when we found drunks sleeping on our porch in the morning. We've had them sprawled on our steps where we couldn't even get onto our own property. One morning two young men came to pray and saw a couple copulating on our property. We're talking about innocent

young religious men coming to pray. They shouldn't be greeted by such a sight. These same people boasted to us you can't stop us were making too much money we'll figure out a way to get back our bar. Please don't let them ruin our neighborhood.

If you have any questions please feel free to contact me.

Sincerely,
